

#### Composition

##### Each Tablet contains:

Diosmin (USP).....500mg  
Hesperidin (USP).....100mg

Helps in Hemorrhoids,  
Blood Circulation & Inflammation

For All Ages

**LIVOSMIN PLUS**

Diosmin + Hesperidin

**Doismin (500 mg):** Provides the primary benefits of improved circulation, anti-inflammatory action, and vascular health support.

#### Hesperidin (100 mg):

A flavonoid that works synergistically with doismin to enhance circulation, reduce inflammation, and support vein health.

#### Uses:

Livosmin Plus Capsule is formulated to offer enhanced vascular health, improve circulation, and reduce swelling, especially in cases of varicose veins, hemorrhoids, and other venous insufficiencies.
